

# COGNITIVE SCIENCE – DECLARATION OF MAJOR

Cognitive Science advisors are available to answer questions. To schedule an appointment as part of your process in researching the major, please visit [www.cogsci.berkeley.edu/people-0](http://www.cogsci.berkeley.edu/people-0)

**Once you're ready to declare the major, please check the boxes as you follow these steps:**

- Visit the Cog Sci website to learn about the major
- Research the courses you would like to complete for the major, and check their prerequisites
- Fill in the Program Planning Form with specific courses remaining to complete the major
- Print a copy of your unofficial transcript\* or Cal Central transcript for submission along with this declaration form
- Schedule an appointment with a Cog Sci advisor for review/approval of this form

**Advisor Notes:**

# PROGRAM PLANNING FORM

- Beginning with the CURRENT semester, please put down all courses required for graduation in your remaining semesters.
- Please attach an unofficial transcript before submitting your declaration form.

- For students (freshmen and transfer) admitted to UCB Spring 2015 and earlier, an average GPA of 2.0 or higher in the three prerequisites is required for admission to the major. This is in addition to a 2.0 overall UCB GPA.
- For students (freshmen and transfer) admitted to UCB Fall 2015 and later, a “C” grade or higher in each of the three prerequisite courses will be required for admission to the major. This is in addition to a 2.0 overall UCB GPA.

**MAJOR REQUIREMENTS**

- Complete Prerequisite requirements.
- Complete lower division requirements & 6 upper division distribution groups.
- Complete a minimum of 3 elective courses for the major.
- Complete a total of 30 upper division units for the major.
- Minimum 2.0 GPA for major (average of all courses for major / average of all upper division courses for major).
