Cognitive Science
Honors Thesis Application

✘ ☐ Fall ☐ H195A
☐ Spring ☐ H195B

Year
Units _______ (1-3)

Eligibility
In order to sign up for an H195 course you must have a 3.3 GPA—overall, as well as in the major. If you have any questions regarding which courses to use in calculating your major GPA, please see Marcia.

Please attach a 1-2 page description of your thesis project

Name ___________________________ SID # ________________

E-Mail ___________________________

Title of Project ___________________________

Mentor’s signature ________________ email________________________

Second Reader ________________ email________________________

Major Advisor’s signature ______________ Submission date _______

This form should be submitted no later than the end of the third week of classes.

The completed thesis must be submitted to the Cog Sci major office and to the sponsoring professors towards the end of the semester. Please be sure to allow sufficient time for possible rewrites or other suggested edits.

The primary mentor will be responsible for submitting the grade. S/he and the second reader should confer on level of honors to be awarded (Honors, High Honors, Highest Honors) and relay this information to the undergraduate advisor, Marcia Condon: mcondon@berkeley.edu
